

Community engagement and safety

Funding announced to prevent homelessness and insecure shelter

**COMIC
RELIEF**

Safe place to be

[Comic Relief](#) is seeking to fund organisations who are working to prevent homelessness and the provision of insecure shelter.

Comic relief are interested in work that:

- Uses a rights based approach
- Uses a participatory based approach; valuing the experience and insights from people directly affected by homelessness and shelter insecurity at all stages of the project.
- Recognises the complexity of people's needs, the effects of trauma, uncertainty, violence and abuse and works in partnership to meet these needs.

- Contributes to a movement for change, translating the learning from communities into effective advocacy, collective action and influence.

Comic Relief is also seeking to support a small number of social tech projects.

Who can apply: Registered charities based in the **UK**, India, South Africa, Zambia and Nigeria

Maximum grant: £300,000

Consortia applicants will be able to apply up to £750,000.

Deadline: 1 October 2018
