

Online Proxy Ordering 2 Survey

The Proxy Ordering survey will be available until the 28 February 2021 after which it will then disappear from view. **Care Homes** should complete this **once** during this period.

1. From the Home page, select the relevant provider tile.

2. Click on 'Online Proxy Ordering 2' icon.

Care Home	Services	Costs, Vacancies and Business Continuity	ICF2 / Infection Control	Contracts	Surveys	Care Quality
Cranberry Care Home (OX3 2RX):Edit	Services offered	Costs, Vacancies and Business Continuity	Weekly / Monthly	Contracts		Care Quality

3. The following set of survey questions will be presented:

 **Online Proxy Ordering 2 survey for Cranberry Care Home**

[Provider details](#) | [Services](#) | [Costs, Vacancies & Business Continuity \(Daily\)](#) | [ICF2/ASC fund \(Weekly\)](#) | [ICF2/ASC Fund \(Monthly\)](#) | [Contracts](#) | **[Surveys](#)** | [Care quality](#)

To assist you with its completion use the refer to the *Proxy Ordering Survey Guidance* in our **Resource Centre**. Should you have any enquiries relating to this survey please contact england.carehomesgproxy@nhs.net

1 Have you been set up by your GP practice to order online medication by proxy, on behalf of your residents via GP online services? Y/N *

Yes No

2 Have you been set up to access any additional information in the GP record such as test results or discharge information for residents? *

Yes No

3 Where the answer is No to the above, would you like support in setting this up? *

Yes No

Note:
Email address for enquiries relating to the survey

Should you have any queries relating the content of the questions please contact england.carehomesgproxy@nhs.net

4. **Once all three questions are complete, please remember to save your response via the green button at the end of the survey.**

Please Note: if any of the questions are unanswered, the system will not save and you will receive a similar message to the one illustrated below.

- 2: Have you been set up to access any additional information in the GP record such as test results or discharge information for residents? is required
- 3: Where the answer is No to the above, would you like support in setting this up? is required

Note:
Example of Error Messages

5. When you have successfully completed the Survey the following page will be displayed
