*Further dates will be added if there is a demand

Course Outline

This short 60-minute programme is for anyone working in Domiciliary/Home Care and will enable you to refresh your Infection Protection and Control (IPC) knowledge in the context of the COVID-19 pandemic.

Course Objectives

By the end of the programme delegates will:

- ✓ refresh IPC Standards within Domiciliary/Home Care settings, including:
 - Hand hygiene
 - Cough etiquette
 - Use of personal protective equipment (PPE)
 - Donning and doffing
 - Cleaning
 - Waste management
- ✓ have up-to-date knowledge of COVID-19
 - Symptoms
 - Spread/transmission of infection
 - Understand the process for testing for COVID-19
 - Understand isolation
 - Social distancing
- ✓ have had the opportunity to discuss the real IPC challenges within your service
- ✓ discuss and share interventions for improving IPC within your place of work
- ✓ understand the importance of risk assessment: staff and service users
- ✓ be able to access latest guidance
- ✓ created a personal action plan for implementing back in the workplace
