Date: 10 September 2021

Dear Colleague

I hope you know how much the people of Essex value all the work you do to provide care to our loved ones. We know you often feel under-recognised and under-rewarded and we are committed to addressing these issues.

We want you to stay. This means that you must be vaccinated and the deadline for first vaccinations is around 16th September.

If you have remaining concerns and worries about the implications of vaccines for your health, you can access our confidential helpline to our in-house GP, Dr Javeria Khan between 9am and 5pm Monday to Friday. You can make an appointment by phoning 0300 303 9988 or by e-mailing javeria.khan@nhs.net

With thanks again for all you do, and best wishes,

With best wishes,

John

John Spence etc
