- How confident are you of staff resilience going into Winter?
- Do you anticipate losing staff this winter due to burnout?
- Is there anything ECC can do to help your staff resilience?
- Have you / your staff used wellbeing services? For example 'Here for You'.
- Would you be able/ willing to facilitate direct group sessions for your staff around their wellbeing?
- Is there anything that could hinder providing wellbeing support sessions to your staff eg. difficulties with freeing staff up?

How confident are you of staff resilience going into Winter?

009

No let up makes it more challenging

Moderate as planning now **Nervous**

No let up
Limited **Not very** It feels as busy as winter now

Concerned

Do you anticipate losing staff this winter due to burnout?

006

Potentially

Support in place

Yes, certainly. Other employment offers better

Yes - already seeing fatigue

Hoping not if we can focus on well-being

From speaking with homes, there is concern

Is there anything ECC can do to help your staff resilience?

002

Share what may work collaboratively
Voluntary sector can support too
provide good and up-to-date info on the hub
Support communities and all partners
Co-ordinated approach with offers of support

**Have you / your staff used wellbeing services?
For example 'Here for You'.**

0 0 2

Yes

Keen to hear more about it

Would you be able/ willing to facilitate direct group sessions for your staff around their wellbeing?

0 0 1

Yes but let's support each other

Is there anything that could hinder providing wellbeing support sessions to your staff eg. difficulties with freeing staff up?

002

Time to be engaged
Timings of sessions/opening hours
External support may help
